Strengths

Eager to learn new skills

As a person who is starting out, I am constantly seeking for new ways to grow and expand my skill set.

Not afraid of failure

Strong believer in the mantra that we learn from our mistakes.

Effective team player

Transitioning from an intern to a senior role in my previous position, I honed my capacity to function harmoniously within a team, playing a pivotal role in project accomplishments and nurturing a constructive atmosphere of collaboration.

Knowledge of diverse industries

Gaining exposure to a variety of projects spanning different industries enables me to grasp customer requirements more effectively and make well-informed, high-quality decisions.
